

Our Mission ...

We believe in providing quality holistic care with compassion, excellence, integrity, and respect for each resident. We strive to enhance quality of life, preserve dignity, and meet health, social and emotional needs by working with family members, health professionals, caregivers, and the community.

MEMORY LANE Assisted Living

Are you or your loved one looking for a senior living community that offers medical monitoring and minor medical care while offering personal care, privacy, and freedom of choice? If “yes”, Memory Lane Assisted Living is the perfect place for you or your loved one!

Located in the lush trees of Magnolia, Texas on a two and a half acres property, gives our residents the freedom to explore nature through bird and animal watching, walking trails, vegetable and flower gardens, beautiful landscapes and many more. With just 5 miles away from **Tomball Regional Medical Center** and 0.8 mile from TX-249 it makes the perfect choice of retirement setting that provides 24 hour care, 7 days a week, for a variety of chronic medical conditions and personal care.

Memory Lane Assisted Living is a small type B facility designed and built to provide comfort, beauty, and privacy you would find in your own home. All the decorative touches and cozy areas were specially created to give our residents comfort and security as well as peace of mind for their own families.

Here at **Memory Lane Assisted Living** we are dedicated to provide the most excellent care with respect for individual's preferences and freedom of choice.

The calm home-like atmosphere and our friendly staff help our residents to feel safe, happy, and at home.

Our main goal is to help each resident reach and maintain their highest level of functioning by providing individualized care, maintaining close collaboration with families, physicians, caregivers, and being an advocate to ensure their needs are being met.
